

# Leadership Tactics *for* Challenging Times

Wednesday, September 30, 2009 | Kamloops B.C.

## Navigating through good times and bad

That's the message from Kari Yuers, President and CEO of Kryton International and Chair of the Leadership and Management Development Council of B.C. Ms. Yuers, an Ernst & Young Entrepreneur of the Year award winner, says innovative thinking and keeping ahead of changes in the marketplace are among the strategies that have helped her company grow through good times and bad.

Ms. Yuers is the keynote speaker at a business forum on navigating through difficult times. The forum will focus on providing business owners and managers with practical advice and information to help them steer their companies through the current downturn.
